

# Appeals Policy

## 1. Purpose

All-Ways Training Services (AWTS) is committed to providing quality training and assessment in accordance with the Standards for Registered Training Organisations (RTOs) 2015. As such, AWTS is required to have a policy and processes in place to manage requests for a review of assessment decisions, including those made by third party training and assessment providers who provide services on behalf of AWTS.

This policy is based on providing and maintaining training and assessment services that are fair and reasonable and afford a forum where issues or inadequacies regarding assessment can be raised and resolved. The Appeals Policy provides opportunity for appeals to be recorded, acknowledged and dealt with in a timely manner.

The object of this policy is to ensure that AWTS staff and third party partners, act in a professional manner at all times. This policy provides clients with a clear process to register an appeal. It ensures all parties involved are kept informed of the resulting actions and outcomes.

## 2. Policy Statement

AWTS acknowledges that students have the right to appeal an assessment decision, based on valid grounds for appeal.

AWTS has provision for students to appeal against assessment decisions, including those made by a third party partner.

AWTS ensures that students have access to a fair and equitable process for lodging an appeal against an assessment decision.

In doing so, AWTS:

- has written processes in place for collecting and dealing with appeals in a constructive and timely manner;
- ensures that these procedures are communicated to all staff, third party partners and students;
- ensures that each appeal and its outcome are recorded in writing;
- ensures that each appeal is heard by a person independent of the appeal;
- ensures that each appellant has the opportunity to formally present his or her case;
- ensures that each appellant is given a written statement of the appeal outcomes, including reasons for the decision;
- takes appropriate action upon the subject of any appeal that is found to be substantiated; and
- utilises outcomes of appeals to review current practices which may potentially lead to continuous improvement.

### 3. Definitions

#### 3.1 The following words and expressions have the following specific meaning, as in the Standards for Registered Training Organisations (RTOs) 2015.

- a) Students have the right to lodge an appeal against an assessment decision if they feel they were unfairly treated during an assessment, and/or where they feel the assessment decision is incorrect and they have grounds for an appeal.
- b) The principles of natural justice and procedural fairness are adopted at every stage of the appeal process.
- c) The appeals policy is publicly available, via the AWTS website.
- d) The appellant must provide detail of their appeal in writing.
- e) All appeals must be lodged within 5 (five) working days of the date of the assessment result notification to the student.

- g) If the appeals process fails to resolve the appeal or the appellant is not satisfied with the outcome of the appeal, the matter may be referred to an independent third party for review, at the request of the appellant. The appellant will obtain a quote prior to instructing a third party review and all costs incurred for the third party review will be known to all parties before proceeding.
- h) All appeals are acknowledged in writing and finalised as soon as practicable.
- i) If the appeal will take in excess of 60 calendar days to finalise, AWTS will inform the appellant in writing providing the reasons why more than 60 calendar days are required. The appellant will also be provided with regular updates on the progress of the appeal.
- j) AWTS strives to deal with appeal issues as soon as they emerge, in order to avoid further disruption or the need for a formal complaint process.
- k) All appeals will be handled 'in-confidence' and will not affect or bias the progress of the participant in any current or future training
